
Langmore FEES, LLC

The Gold Standard in FEES Training

Langmore 2.0: Current Updates on FEES **Saint Elizabeth Healthcare Training & Education Center (SETEC)** **Greater Cincinnati (Erlanger, KY)** **April 27th, 2019**

Purpose:

This program is geared toward clinicians who are FEES competent who want to sharpen their scoring and interpretation of FEES exams. A review of scoping techniques to achieve optimal view will be covered. Updates in research, protocols, and scoring will be reviewed. A new model that incorporates scoring and interpretation will be introduced, leading to specific treatment recommendations. Participants will have an opportunity to sharpen their skills by practicing scoring recorded FEES exams. Case studies will be provided for discussion purposes.

Learning Outcomes:

1. Be ready to incorporate new FEES protocols into your practice.
2. Describe scoping techniques to obtain optimal views.
3. Identify normal versus abnormal swallowing.
4. Score FEES exams using a scoring worksheet.
5. Apply the results of the FEES exam to make meaningful recommendations.
6. Discuss case studies using FEES with different patient populations.
7. Interpret findings from FEES exams using a model of normal/abnormal swallowing.
8. Describe new uses of endoscopy as a biofeedback tool.

Course Instructors:

Susan E. Langmore, PhD, CCC-SLP, BCS-S: Dr. Langmore is world renown for developing FEES in 1988 and for her work as a clinician, professor, and researcher. She is currently a clinical professor of speech language pathology at Boston University Sargent College and a professor of medicine in the department of otolaryngology at Boston University Medical Center. Dr. Langmore is engaged in NIH and PCORI funded clinical research, lectures nationally and internationally on dysphagia and FEES, and is the incoming president of the dysphagia research society.

Location:

Saint Elizabeth Healthcare Training & Education Center (SETEC)
3861 Olympic Boulevard
Erlanger, KY 41018 (Greater Cincinnati)
